

Open House – December 10, 2024

The community is invited to attend an open house to learn about the Cedar LNG Project. Join us for a project update, including design, construction schedule, job and training opportunities, and more.

Everyone is welcome. Snacks and refreshments will be offered.

Date
December 10, 2024

Time
4:00 p.m. – 7:00 p.m.

Location
Tamitik Arena
400 City Centre,
Kitimat, BC

About Cedar LNG

Cedar LNG is a floating LNG facility in Kitimat, British Columbia, within the traditional territory of the Haisla Nation. Powered entirely by renewable energy, Cedar LNG will be one of the cleanest LNG facilities in the world. With a positive final investment decision made on June 25, 2024, construction activities have started, and operations are anticipated by the end of 2028.
