

Notice of Construction Noise

As Cedar LNG progresses with construction, we are committed to sharing updates about our activities with the community.

In preparation for construction of Cedar LNG's Transmission Line, right-of-way clearing is set to begin with a number of activities planned over the coming months.

Transmission Line clearing

When: Mid-September until mid-December 2025. All work will take place between 6:00 a.m. and 6:00 p.m.

- **Transmission Line clearing:** Mid-September until mid-December
- **Drilling and blasting:** Late September until late November
- **Heli-logging work:** Mid-October until early December

Where: Cedar LNG Transmission Line right-of-way. See detailed map [here](#).

What: A variety of activities associated with clearing of the Transmission Line right-of-way. While all work will comply with noise requirements, residents may notice an increase in noise at times. We apologize for any inconvenience this may cause and appreciate your understanding as we safely complete our work.

Community Feedback Program

Share feedback, receive answers to questions, and have concerns addressed in a timely way. You can reach out using the method that works best for you.
