

Notice of Construction Noise

As Cedar LNG progresses with construction, we are committed to sharing updates about our activities with the community.

We are preparing for construction of the Cedar LNG Distribution Line and wanted the community to be aware of activities that will take place along the approved right-of-way.

Distribution Line construction

When: Late March until August 2026. All work will take place between 6:00 a.m. and 6:00 p.m.

- **Distribution Line clearing:** March 2026
- **Drilling and blasting:** Late March until May 2026
- **Road closures:** Short closures of the Bish Creek Forest Service Road will be required for safe construction and will be scheduled to reduce potential impacts and communicated to the local community.

Where: The Cedar LNG Distribution Line will be located in the road allowance of the Bish Creek Forest Service Road. See detailed map [here](#).

What: A variety of activities associated with construction of the Distribution Line. While all work will comply with noise requirements, residents may notice an increase in noise at times. We apologize for any inconvenience this may cause and appreciate your understanding as we safely complete our work.

Community Feedback Program

Share feedback, receive answers to questions, and have concerns addressed in a timely way. You can reach out using the method that works best for you.
